Re: Public Information Act request of Drew Campbell received August 18, 2026

Dear Mr. Campbell:

On or about August 18, 2026, you submitted an open records request to the City of The Colony, Texas (hereinafter referred to as the "City"), requesting copies of certain enumerated information concerning flock cameras for the period of January 1, 2024, to the present. In particular, your request item # 4 seeks records identifying any arrests, citations, or incident/case reports in which a Flock Safety camera alert or "hit" was cited as contributing to the apprehension of a suspect. This will require a manual review by staff of each arrest record, citation, incident report or case report since January 1, 2024. It is estimated that consists of approximately 9,200 records.

Accordingly, this letter is sent to comply with your request for notification if the charges for making copies will exceed Forty Dollars (\$40.00). This letter is also sent in accordance with the provision of the Texas Public Information Act concerning providing you an itemized estimate of those charges. See Texas Government Code Section 552.2615(a). Pursuant to Texas Government Code Sections 552.261 and 552.2615(a), provided herein is a written itemized statement that details the estimated charges that will be imposed, including allowable charges for labor and personnel costs that you will incur in order for the City to comply with your request. The City understands that it may provide this estimate to you at your mailing address, facsimile transmission, or electronic mail address, pursuant to section 552.2615(a)(1).

There is a less expensive way for you to obtain this information. You may view the information in person at our offices. If you choose to view the information in person, please provide me with three dates and times when it will be convenient for you to come.

Please be advised that your request for information will be considered automatically withdrawn if you do not respond in writing to this itemized statement within ten (10) days after today. Texas Government Code Section 552.2615(a)(2)&(b). You may respond to this statement by delivering your written response to the City by mail, by e-mail, in person, or by facsimile transmission. Texas Government Code Section 552.2615(a)(3). **Your response should specify that (1) you will accept the estimated charges and agree to pay; or (2) you will modify your request in response to this itemized statement.** Texas Government Code Section 552.2615(b). In addition, if you feel this cost estimate letter is inconsistent with state statute, you

have the right to file a complaint with the Texas Attorney General's office. You may contact the Texas Attorney General's office at (512) 475-2497.

The cost estimate is based upon rules established by the Texas Attorney General's office regarding charges for costs in responding to requests for documents under the Texas Public Information Act. This estimate is as follows:

ITEMIZED ESTIMATE OF CHARGES

1.	Document Charge – 10 cents per page -- estimated 36,800 pages	\$ 3,680.00
	Estimated 9,200 responsive records at 4 pages per report	
1.	Labor Charge - estimated 3,550 hours at \$15.00 per hour)	\$ 53,250.00
2.	Overhead Charge (20% of Labor Charge)	\$ 10,650.00
TOTAL:		\$ 67,580.00

Pursuant to Texas Government Code Section 552.263(a), it is the City's standard practice to require a cash deposit for payment of the cost of preparation of the copies, pursuant to the itemized statement, since the costs for producing the copies you request will exceed \$100.00. The City's standard practice in this regard is for the requestor to provide a cash deposit for the full amount of the estimate.

If you pay a deposit and the actual final amount is less than the amount paid, you will be issued a refund by separate cover. If the actual amount is more than what you paid but within twenty percent (20%) of that amount, payment must be made in full before you can receive the copies. An updated statement will be sent to you if the final amount will exceed twenty percent (20%) of the first agreed estimated amount.

Again, your request will be considered automatically withdrawn if you do not respond in writing to any updated cost estimate. Texas Government Code Section 552.2615(c). Please provide your response directly to Melonie Knier with the City's Police Department. Should you have any questions, please do not hesitate to call. She may be contacted at:
